Frequently Asked Questions

Packages

Question # 1: What package should I choose?

We have several pricing options available to meet your budget and we have fundraising sponsors to help you (see page 8). You may choose from our resort packages which offer convenience and extra savings and include everything for you; Lodging, Venue Admission, Registration, Party in the Park, Universal's Shuttles for Resort-to-Park transportation, and Park-to-Park Tickets. The packages are the EPIC, Ultimate, and Grand. Also available are the EPIC Commuter, Florida Competitor, and Daily Packages which do not include lodging.

We highly recommend that you choose a resort package as separating out the resort will not save you money. If you are planning on staying at a Universal Resort we need you to stay in our room blocks so that we can continue to bring this great competition to Orlando. If you choose the EPIC Commuter, Florida Competitor, or Daily package you will need to book outside lodging and transportation to/from competition venues and parks.

Flights and airport-to-resort transportation is not included in any package and is on your own (transportation options are detailed on page 6.)

Question # 2: Our parents would like to stay with us, can they sign up for a package?

Yes, the Resort Packages are for all our guests. We encourage all friends and family to enjoy the InterNationals experience with their team. We encourage you to register them with your team on a resort package to ensure availability with the team resort. You can register them with your team. This is the best way to organize and control your group. We can accommodate individual registration, but we do not recommend it.

Question # 3: My Family and Friends want to attend the competition/event, what do they need to do?

Family and Friends will need to purchase one of our packages for the best experience. Our friends and family packages include a theme park admission ticket (which is required to enter Universal's Islands of Adventure and reach the competition venue), PLUS an event credential, which allows access into the competition. Park admission ticket will also allow you to go from theme park to theme park in the same day. For example: you can go to Universal Studios Florida in the morning and then go to Universal's Islands of Adventure that night. The current four Universal Parks are: Universal Studios Florida, Universal's Islands of Adventure, and Universal's EPIC Universe.

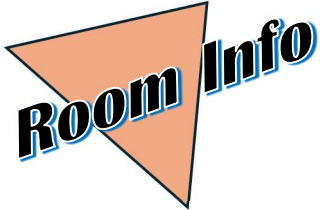

** All credential holders that select a package that are staying at our onsite resorts, will receive complimentary shuttle service from any of the Universal Orlando Resorts to Universal's EPIC Universe, and the CityWalk Hub that gives access to the two main parks.

** Friends/Family who are Florida Residents or who already have lodging can purchase a Daily Package which will include 1-Day or 2-Day/2-Park ticket plus admission to the competition (this does not include Universal's EPIC Universe.)

** Universal's Volcano Bay will be closed while we are there this year.

Frequently Asked Questions

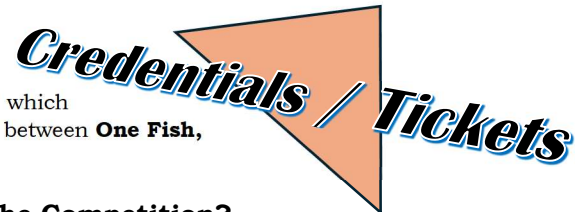

Question # 4: Can we make exceptions to the room occupancy?:

- **We have a room that only has three, we are uneven. Can we pay the quad rate?**
 - No. Our packages are specific for the number of people in each room.
- **If six to a room sells out, will you honor the same rate for a quad?**
 - Unfortunately, we will not be able to. Our packages are specific for the number of people in each room.
- **We are scheduled to arrive at the resort at 11: 00 a.m., will our resort room be ready?**
 - Check-in at most resorts is 4:00 p.m. However, if your room is ready, the resort would be happy to get you all checked in! If not they will be happy to store your luggage until your room is ready so you can enjoy the park/resort.
- **We are not leaving Florida until 5:00 p.m. On check out, what can we do during the day?**
 - Since check out is at 11:00 a.m., the resort would be happy to store your luggage while you visit Universal Orlando Theme Parks or Universal CityWalk to shop and eat.

Question # 5: What is my credential?

Your credential is a special lanyard that AmeriCheer/AmeriDance will provide you. Your credential will allow you access into the competition venue located at Sound Stage 21 which is reached through Suess Landing Inside Universal's Islands of Adventure. The entrance is between **One Fish, Two Fish, Red Fish, Blue Fish** and **Circus McGurkus Cafe Stoo-Pendous**.

Question # 6: Do I need a theme park admission ticket to get into the Competition?

Yes! 2027 InterNationals is a special park ticketed event therefore, **all attendees must have a park ticket** to enter Universal's Islands of Adventure and to reach the competition venue. Most packages have a theme park admission ticket included as part of the package. If you do not purchase a package, you will need a park ticket to scan at the entrance of Universal's Islands of Adventure. Spectators will then need to purchase an entry ticket to the competition venue. The entrance is between **One Fish, Two Fish, Red Fish, Blue Fish** and **Circus McGurkus Cafe Stoo-Pendous** and there will be a tent to purchase venue only wristbands, however we recommend you purchase venue tickets through AmeriCheer before arriving in Orlando.

Question # 7: Can I upgrade my park ticket?

Yes if you want more park days you can request additional park days, however we highly recommend that you do this prior to arriving in Florida as we will have limited quantities for sale there. You can upgrade to a 4-Day or 5-Day/ 3-Park Park-to-Park ticket. EPIC Resort Package includes a 4-Day/3-Park Park-to-Park ticket. The EPIC Commuter, Ultimate Resort, and Grand Resort Packages include a 3-Day/3-Park Park-to-Park ticket.

You can also upgrade your 3-Park Park-to-Park ticket to a 4-Park Park-to-Park ticket.

We will have limited availability of additional day tickets in Florida, so please upgrade as early as possible before you leave, contact: Events@AmeriCheer.com. It is mandatory to upgrade with AmeriCheer before leaving with tickets at registration. Once tickets leave the Fun-in-the-Sun Room, or have been used, they cannot be upgraded. You will not be able to upgrade at the Universal Park's ticket window.

Question # 8: If we do not use all the days on our ticket, can we use the remaining days next year?

No. These are special event tickets that are only valid from March 10–19.

Question # 9: What do I need to attend the Party in the Park?

Wear your credential to get into the park for the Party in the Park.

Meal Vouchers/ Gift Cards

Frequently Asked Questions

Question # 27: Are there meal vouchers available for purchase?

You may order gift cards with your initial registration. The gift card is the perfect way to pre-pay for your meals. This way athletes are not carrying cash. Universal Orlando's Theme Parks and Resorts are known for great dining options. Gift Cards are \$25 per card, they do not expire and can be used to purchase anything. We recommend that you tell your attendees to purchase food with them and then at the end tell them they are also good for merchandise. This will prevent them from spending their food money on souvenirs. Please take a picture of the Bar Code on your Gift Card. There is a \$1 processing fee per card.

Universal Orlando Resort gift cards can be used at CityWalk restaurants. However, there may be exceptions, especially at some of the more upscale dining options or specific locations within CityWalk. It is recommended to double-check with the individual restaurant or visit the Universal website for the most up-to-date information on which locations accept the gift cards.
