IMPORTANT: School/College All-Music Divisions are defined as routines created to an all-music format for the entire performance. The routines should emphasize team skills to enhance overall crowd appeal and **may or may not** include a cheer portion. Note: If a cheer portion is included, the music **may not** stop during the cheer but rather the volume of the music may lower to adequately hear the cheer. The cheer **does not** have to be a Crowd Leading style cheer and it **is not** necessary to incorporate props.
