

WILD CARD SUMMIT BID AWARDING PROCESS 2026

During registration, prior to the start of the event, teams must designate their willingness to accept a Summit Bid. During the event, bids are awarded at the EP's discretion based on teams accepting bids. Below is AmeriCheer's process in awarding Bids.

Americheer awards Summit bids to the highest-scoring bid eligible teams across different levels. We will award 1 to D1, 1 to D2 and 1 to Youth Summit.

- The levels are divided as follows: L1, L2, L3, L4.
- Once those levels have been satisfied, then ALL levels are eligible for the remaining bids and the process to satisfy the levels will start over.
